**a Thinner, Healthier
Version of Yourself.**

The body you want still exists. Sutter Bariatric Centers can help you find it. We offer the gold standard in medically supervised weight loss programs in Sacramento, Roseville and Auburn. Sutter doctors are experts on the latest gastric bypass surgery techniques, including minimally invasive gastric banding. But Sutter Bariatric Centers also give you a complete program, including nutritional counseling, emotional support and education. We'll give you the tools you need to find that person who's been hiding for so long.
