2800 L Street, 630
Sacramento, CA 95816

Sutter Neuroscience Institute is dedicated to providing support to stroke survivors, their families and caregivers. We are offering this opportunity of fun along with a unique learning experience about STROKE for those interested in attending a three day camp.

Please complete the registration form on the back page and return to the address enclosed.

Funded through donations to the Sutter Neuroscience Institute Stroke Camp Fund at the Foundations of: Sutter Medical Center, Sacramento Sutter Roseville Medical Center

Learn about stroke and prevention in a relaxed atmosphere

Programs and activities will be planned and scheduled for your convenience throughout the day. A wonderful opportunity for growth and learning about stroke and its prevention, while receiving support and learning new coping strategies. During Sutter Stroke Camp, you will be empowered to improve skills and make wise choices about your rehabilitation care after a stroke, and discuss many resources necessary to enhance your quality of life. Silver Spur Conference Center is located in the Sonora foothills. Directions and map are included.

Concentrated Education

Rehabilitation & Stroke Team professionals will be on hand to educate and answer your questions and concerns about stroke and its devastating affects
