

# Sutter Health Sacramento Sierra Region

For patients seeking advanced treatment, all Sutter Health hospitals in the region are conveniently located and within easy freeway access. The focus on complete care means that patients and their families are treated with respect and provided every comfort possible to make each visit pleasant.

## Sutter Medical Center, Sacramento

In 1923, Sacramento was recovering from the devastation of an influenza epidemic. Leaders of the growing community and the physicians who tended to hundreds of patients came together to create a community hospital. Built within view of Sutter's Fort, the hospital has grown for more than 75 years to become one of Northern California's leading medical centers.

The medical center encompasses three campuses: Sutter General Hospital, Sutter Memorial Hospital and Sutter Center for Psychiatry.
